

Audition Notice

For Trainee, Protégé, Apprentice and Company B positions
For male and female dancers 18 & up

Inlet Dance Theatre will be holding auditions for our upcoming 2017-2018 season. We are looking for professionals and students who are teachable and able to assimilate into our organizational culture and aesthetic. Inlet is a modern dance company with a technical base grounded in Hawkins-based release technique, Pilobolus-based nontraditional partnering, and a collaborative creative process that relies on improvisation skills. Inlet is equally strong in education programming as it is in performing concert and special event work. The company seeks highly skilled dance artists with a desire to educate as well as perform.

Inlet Dance Theatre employs a "get to know you" approach to auditions. We are looking to determine fit with Inlet's culture and aesthetic, as well as create an opportunity for you to see if Inlet's programming and culture is a good fit for you. There is no need to prepare a solo for the audition, as the Company Members will lead you through the various components of the audition.

Optional activities during the audition process include experiencing Inlet's Inflow and Outflow Education programs, as well as observing company rehearsal.
