

AUDITIONS

Audition for: Trainee, Protégé, Apprentice, B Company Member

Inlet Dance Theatre will be holding auditions for our upcoming 2017-2018 season. We are looking for professionals and students who are teachable, willing, and able to assimilate into our organizational culture and aesthetic. Inlet is a modern dance company with a technical base grounded in Hawkins-based release technique, Pilobolus-based nontraditional partnering, and a collaborative creative process that relies on improvisation skills. Inlet is equally strong in education programming as it is in performing concert and special event work. The company seeks highly skilled dance artists with a desire to educate as well as perform.

Inlet Dance Theatre employs a "get to know you" approach to auditions. There is no need to prepare a solo for the audition, you will be provided with links to selected Inlet repertory to learn prior to arrival. Inlet Company Members will lead you through the various components of the audition.

To register for the audition, email your resume, head shot, and fully body shot to info@inletdance.org and you will be provided with the Inlet Dance Theatre Audition Application to complete.
